

The Tidal Wave Has Begun

"...With all the news about cutbacks in Border Patrol agent positions, lack of coverage at the border, and the idiotic release of hundreds or thousands of criminal illegal aliens from prison, we have already begun to see unusually large groups of illegal aliens entering the United States in some parts of the country. This is what happens when you play political games with the nation's security"

**Predator UAV:** *".....We haven't been in that area for hours - we're being inundated where we're at."*

**Fixed-wing pilot:** *"....This in Night Owl on air four. We're ten eight - we're en route about two zero mikes from Ajo, You guys got targets out there?"*

**UAV:** *"...Are you kidding me? We just broke the record."*
